I.A.T.S.E. Member since 2012

## ***Aladdin*** (U.S. - Genie Tour)

### **Props Vacation & Covid Cover, December 2022 - Present**

Responsible for covering on load in, load out, training local crew and maintaining show props. On my initial coverage, I acted as Assistant Props and helped move the show in a last minute situation. I learned SR road crew and two Local show tracks before moving the show in a single week.

## ***Hamilton*** (U.S. - Philip Tour, Angelica Tour, & Peggy Tour)

### **Props Vacation & Covid Cover, December 2021 - March 2022, December 2022 - Present**

Responsible for covering on load in, load out, training local crew and maintaining show props. During this time, I covered Assistant Prop responsibilities and helped move on all of the listed tours.

## ***Hamilton*** (U.S. - Angelica Tour)

### **Assistant Props, March 2022 - December 2022**

Responsible for loading in, loading out, training local crew and maintaining show props including several different kinds of chairs, desks, paper products, swords, fake muskets, multiple candle carts as well as assisting with any other related projects and paint touch ups.

## ***Disney's Aladdin Install*** (Mexico City, Mexico)

### **Assistant Props, September 2021 - November 2021**

Responsible for loading in props for the show, adapting stage right show tracks to the space and training Mexican company as well as maintaining show paperwork and props pieces.

## ***North American Tour of Disney's Aladdin*** (u.s.)

### **Assistant Props, March 2019 - April 2020**

Responsible for loading in, loading out, training local crew and maintaining show props including several different kinds of baskets, silks, banners, swords, multiple carts and other large specialty pieces as well as assisting with any other related projects and paint touch ups.

## ***1st National Tour of Love Never Dies*** (u.s.)

### **Assistant Props, August 2017 - December 2018**

Responsible for loading in, loading out, training local crew and maintaining show props. In charge of maintenance and in track build of "Skeletor" a 15 piece Skeleton Horse Demon costume/puppet on special fabricated stilts, dealing with stilts/trick rigging, a mechanical Music Box, and Monkey.

## ***1st National Tour of Kinky Boots*** (u.s. & Canada)

### **Crew Swing, December 2016 - June 2017**

Responsible for loading in with Electrics, packing trucks for load out, and executing a show track from each department as needed. Departments included Deck LX, SR Props, SR Carp, A2/Deck, SL Wardrobe and various Wig tracks. Responsible for weekly paint touch up for the Kinky Boots.
